Washington, DC 20554CC Docket No. 96-45
CC Docket No. 02-6

Dear Ms. Dortch:

The nature of this letter is to file an appeal to an USAC Funding Commitment Decision Letter dated November 29, 2007. (Copy included).

Although, I am aware that this appeal is well beyond the 60 day window allowed for appeals, I believe that my circumstances warrant a look at this decision.

My name is David LeBlanc and I am employed by the Lawrence Public Schools District, in which one of my duties is to file for E-rate funding. Additional entity information pertaining to this appeal is listed below:

Billed Entity Name- Lawrence Public Schools

Billed Entity Number- 120387

Form 471 Application# 581671

Entity Contact- David LeBlanc, Lawrence Public Schools, 255 Essex Street,
Lawrence, Ma. 01840

Telephone- (978) 975-5905 x735

Fax- (978) 686-1750

E-mail address- dleblanc@lawrence.k12.ma.us

All filings were completed inside the filing window dates. During the course of waiting for a decision from USAC, a number of requests were made by their PIA team in reviewing my applications. I, with each request sent to USAC the information I believed they needed to complete their review. (Some requests were at best vague in nature). After my last correspondence with USAC concerning this application, I did not hear from them again in this matter.

It had come to my attention just recently as I was corresponding with one of the vendors listed in the aforementioned application with USAC, looking for payment that Lawrence Public Schools was denied, in which I was then able to obtain a copy of this letter of denial, in which I previously mentioned is included in this package.

I then contacted USAC concerning the Funding Commitment Decision Letter, and told them that I had never received or seen this letter, for I certainly would have filed an appeal with them and then an appeal with the FCC, if needed. USAC's response was that they mailed the letter out to me on November 29, 2007 and that there is nothing that can be done.

This response leads to the writing of this appeal. My appeal to you is that whether USAC did or did not mail the letter out as they insist, I never received this letter in the mail. Maybe in the future these letters should be e-mailed to the entity, so that receipt can be confirmed. Also, the two vendors that were denied on this application had been approved in prior years and as to one had been approved for several year prior to this denial. These two vendors are our local and long distance telecommunications carriers. Considering that nothing has changed within Lawrence Public Schools and the vendors when they were approved, I believe that USAC's decision to be completely wrong and must be overturned.

These denials have put a tremendous burden on the district's finances. As you can see from our filings we are a poor, urban city and have always relied on these funds that we have received over the past years and continue to rely on these funds today.

I hope that you can somehow find in our favor.

I will be anxiously awaiting your decision as soon as possible. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script, reading "David LeBlanc".
